## **WELCOME TO HOTEL NEW YORK**

We dare to say it... the living room of Rotterdam!

From tailored suits to tracksuits, and from sneakers to fancy shoes, everyone is welcome at Hotel New York – and everyone immediately feels at home.

Our oyster bar serves the finest fish dishes, alongside classic menu favorites and a bar stocked with great beers on tap and beautiful wines ready for you to enjoy. We are truly versatile. The café-restaurant of Hotel New York is located on the ground floor of our nostalgic and characteristic building at the head of the Wilhelminapier.

## **ABOUT HOTEL NEW YORK**

Hotel New York is located in the former headquarters of the Holland America Line on the Kop van Zuid in Rotterdam. Where thousands of emigrants once departed full of hope for a better life in North America, guests today come to stay overnight, dine, drink, get married, meet, and celebrate in a truly special atmosphere.

The moment you step into Hotel New York, you feel it: this is where it happens. And the sense of nostalgia can still be felt everywhere.

## **EXCLUSIVE HIRE**

A full exclusive hire is possible from 250 up to a maximum of 600 guests. In the café-restaurant, our regular setup offers approximately 350 seats. During the summer, we can even add our large terrace to the exclusive reservation.

A sit-down dinner is possible for up to 350 guests in a restaurant setting. For groups of more than 350 guests, we work with food stations and circulating dishes, comparable to a walking dinner.

If required, we can also use additional spaces within Hotel New York, such as our private rooms or our second restaurant, NY Basement, where we can create a special theme.

A full exclusive hire is ideal for networking events, conference dinners, corporate events with a dinner and party afterwards, your company's annual Christmas gala, or any other large-scale dining event.

On the following pages, we outline several options for you.

Naturally, we strive to create the perfect evening for you and your guests, so customization is absolutely possible. (Almost) anything can be arranged.

The rates mentioned in this brochure are valid for 2026 only and including VAT.

If, after reviewing the options, you are interested in receiving a non-binding quotation or would like to schedule a site visit, please contact us at [info@hotelnewyork.nl](mailto:info@hotelnewyork.nl) (attn. "exclusive hire HNY").
