NY BASEMENT

RESTAURANT & COCKTAILBAR

WELCOME TO NY BASEMENT

We dare to say it... the most beautiful basement in Rotterdam!

A modern restaurant with an old soul—just as hip as it is historic, with a nod to the New York of the 1920s and 30s. With NY Basement, Hotel New York has gone 'Back to the Base'!

Exciting cocktails and culinary creations in the atmosphere of pre-war Manhattan. Stylish ornaments and colorful patterns. NY Basement is a trendy restaurant and cocktail bar located in the basement of our nostalgic and characterful building at the tip of the Wilhelminapier.

ABOUT NY BASEMENT

Since 2015, NY Basement has been the 'fine dining' restaurant of Hotel New York. It's smaller, more exclusive, and more intimate than the well-known restaurant on the ground floor.

As guests descend the 'stairway to history', they step back in time—as if this restaurant has always been here.

Our kitchen pampers guests with true culinary creations. Be surprised time and again by the ever-changing menus from our chefs. Fine wines or exciting cocktails provide the perfect finishing touch to an evening of refined dining.

EXCLUSIVE RENTAL

For groups of approximately 65 to 225 people, it is possible to rent NY Basement exclusively. Only your guests will be present. If your group is smaller, we're happy to discuss the options with you.

A full private rental could be for a networking event, a wedding reception followed by dinner and a party, your company's annual Christmas gala, or any other dinner for a large group.

On the following pages, we outline several possibilities for you.

Of course, we strive to create the perfect evening for you and your guests, so tailor-made solutions are no problem. (Almost) anything is possible.

If you are interested in receiving a non-binding quote or would like to schedule a site visit after reading through the options, feel free to contact us at info@nybasement.nl

Most themed parties at NY Basement naturally go for a "Great Gatsby" or "Roaring '20s" theme. Luckily, we hardly need to change a thing in terms of décor to match that style.

That said, we're always excited to help brainstorm and bring other themes to life—we love a creative challenge!

Delicious cocktails make any party complete. In consultation with you, we will select 3 cocktails and 1 Gin & Tonic to be shaken and served during the event in exchange for 1 cocktail token per drink.
